COMMUNICATION REGARDING IDS

An Information Disclosure Statement (IDS) and PTO Form 1449 were mailed on November 16, 2005 for the above-referenced patent application. The PTO Form 1449 (one sheet) was never initialed and returned to the Applicant.

In a review of the PAIR system, it appears that IDS and PTO Form 1449 were not entered by the USPTO. Therefore, we are hereby re-submitting the original IDS and PTO Form 1449 which included an executed 1.8 Certificate with the date of November 16, 2005. The Applicant kindly requests that the PTO Form 1449 be initialed by the Examiner.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Applicant's attorney of record, Steven R. Funk at 952-854-2700.

Respectfully submitted,
